

XY-101BEAM

Professional LED Medium Watt White-color Beam Moving Head

- Rich Color Wheels, present rainbow flowing water effect
- High quality optical system, super-clear LOGO
- Light weight, Pan/Tilt response sensitively
- Professional for different occasions, like auditorium, banquet hall, bar, rental.

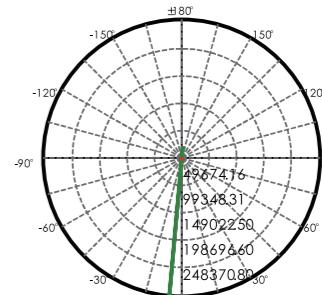

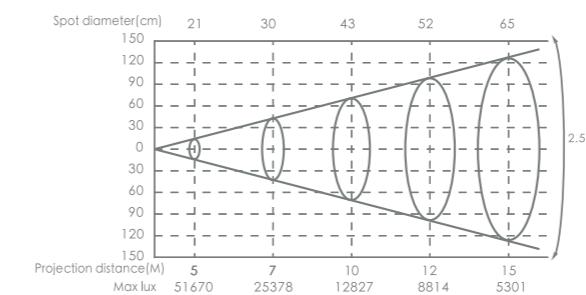

Housing color

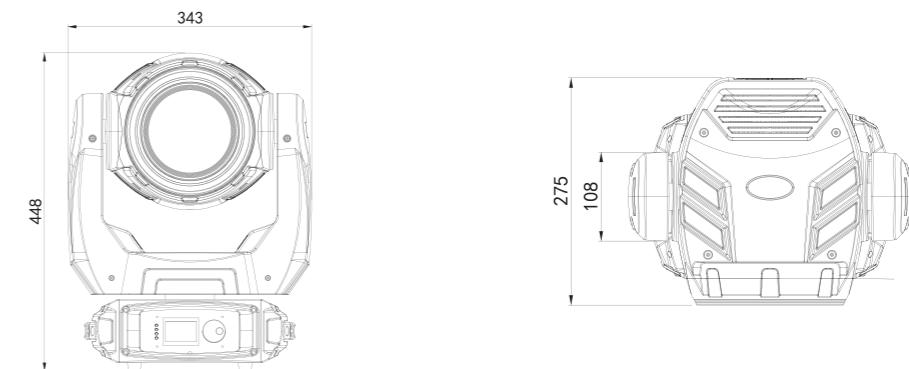

XY-101BEAM Parameter

XY-101BEAM		Parameter	
LED Qty	80W LED	Color	14 colors+white/eight-color wheel(rainbow effect,speed can be adjusted)
CCT	6500K	Prism	Octagonal prism+Quadri linear prism
Lumen	1533lm	Focus	Electril focus
Beam angle	2.5°	Dimensions	343x275x448mm
Input voltage	AC100~240V,50-60Hz	N.W.	14.7Kg
Power	150W	Housing material	Environmental Protection Flame Retardant ABS+Aluminum plate
Drive current	6A	Housing color	Black
Dimming	16Bit	Power cable	Powercon in&out
Cooling	Fins+fan	DMX cable	XLR 3pin in&out
Control protocol	DMX512	Electrical safety class	I
DMX channel	13CH、16CH	EMC	EMC、EMI
Rotation type/range	Pan 540°, Tilt 270°	Permitted Ambient Temperature	-10°C~45°C
Fixed gobo	1(14+1 rotating gobos,gobo jitter,gobo positive and negative rotation)	IP Grade	IP20
